Howdy!

I would like to thank you for your consideration in sponsoring Fish Camp 2018! Fish Camp is the largest student-run orientation program in the nation, led by students at Texas A&M University who are passionate about successfully transitioning incoming freshmen into Texas A&M by sharing with the Traditions and Values of our university. Throughout the month of August, Fish Camp transitions over 6,100 freshmen from high school to Texas A&M University each year!

Our organization is funded solely through freshman registration fees and membership dues. As we continue to expand our orientation program to reach more freshmen, our costs continue to increase in order to facilitate camp. Last year, because of the support of our sponsors, we were able to provide scholarships to high financial need students who wished to attend camp. We would love for you to be a part of continuing to provide the same opportunity this year and would be grateful if you helped in sponsoring our orientation program.

There are multiple areas where we are seeking assistance, whether that be in monetary giving or in-kind gifts, in order to help Fish Camp run. Again, we appreciate your consideration of becoming a Sponsor for Fish Camp 2018!

For more information regarding sponsor-specific benefits and recognition levels, please contact our Director of External Relations, Spencer Krumholz, by emailing fcamp-er@dsa.tamu.edu or calling our office at (979) 845-1627.
